Making Music Yorkshire - Regional Conference Day & Annual Meeting 2010

"Do It Legally"

Following the great success of last year's "Do It Digital" theme, this year's Annual Conference on 22 May in York presented the theme "Do It Legally". We had the renowned expert Keith Arrowsmith providing our main session. Known not only for his expertise in the field of charity law, Keith has earned a fine reputation for his work with the voluntary sector, and brought a wealth of real-life experience to his presentation. Keith always provides interesting, informative and interactive sessions, and this lived up to all expectation.
